## Silent Auction Baskets Needed!

As we approach the end of 2011, it is time to start thinking about the Silent Auction for our annual fundraiser, **From the Heart**. As you know, we ask each family attending Saint Francis to help by donating a themed silent auction basket. This time of year presents a great opportunity to take advantage of holiday sales and clearance tables at local retailers, or to donate new, unopened but unwanted items taking up space in your homes.

**The possibilities are endless for basket themes!** Below is a list of past ideas, but feel free to explore your own as well! **This is a great way to fulfill your PIP hours!** If you would like to receive PIP hour credit, please remember to attach receipts for any purchases made to your PIP form.
