PIP HOURS

PIP stands for Parent Involvement Program. Studies show that successful schools are those in which parents are actively involved in the school's maintenance and support. This program allows you to demonstrate to your child how important their education is to you. It enables you to meet other parents who share your values and interests. It is also invaluable in time and money saved when the school does not have to "hire out" services. Especially appreciated are the services which save teachers time, allowing them to concentrate on classroom activities with the children. **Each family is required to complete 20 hours of volunteer work.** All hours must be completed and reported by the last Friday in May. There will be an assessment of \$10.00 for each uncompleted hour. Families with preschoolers only are required to complete 10 hours.

You must fill out a PIP form for any hour(s) completed. These forms may be picked up at the main office. They may be turned in to the office.

There are a variety of ways to accumulate PIP hours. Recess duty is a great way to be visible to your child and to get to know other students. You can volunteer for in school time, such as copying, listening to students read, etc. Auction committees are always looking for volunteers. Teachers may request chaperones for field trips, field day, and occasional classroom activities. You may have some of your own ideas for ways to help.

For any questions you may have concerning the status of your PIP hours, please call Joanne Evans in the main office on Monday, Wednesday or Friday.
